Challenging Standards Jonathan A. Supovitz 2015-06-03 The Common Core State Standards are at the center of the latest firestorm in American education reform. But this is not the nation's first torrid experience with standards implementation. In Challenging Standards, Jonathan Supovitz and James Spillane bring together the collective knowledge of top education researchers who have both experienced and investigated education reform challenges in the past. Combining both evidence-based research and applied knowledge, the contributors share with educational leaders their accrued wisdom about implementing standards in classrooms and systems, building capacity through relationships, and navigating the fractious political terrain. Each section of the book contains a set of facilitative questions that will help leadership teams, book clubs, and professional learning communities connect the chapters to their work.

Go Math! Hmh Hmh 2011-06 GO Math! combines fresh teaching approaches with never before seen components that offer everything needed to address the rigors of new standards and assessments. The Everything Parent's Guide to Common Core Math Grades 6-8 Jamie L Sirois 2015-01-18 Take the mystery out of Common Core math! The Common Core, a new set of national educational standards, has been adopted by forty-five states across the nation. But if you learned math the "old" way, the new teaching methods--like tape diagrams, array models, and number bonds--may be unfamiliar to you. If you want to help your children with homework, you'll need to learn these new methods, which focus on critical thinking and conceptual understanding. With the help of experienced math teachers, you'll learn: What your child will be learning in each middle-school grade The rationale behind the Common Core standards Multiple new ways to look at math problems How to help your child with homework and studying The Everything Parent's Guide to Common Core Math: Grades 6-8 features examples and exercises that correspond to each standard, so you'll have the confidence you need to help your kids succeed and thrive in the new school standards.
