Painting Nature for the Nation Rosina Buckland 2012-12-19 In Painting Nature for the Nation: Taki Katei and the Challenges to Sinophile Culture in Meiji Japan, Rosina Buckland offers an account of the career of the painter Taki Katei (1830–1901). Drawing on a large body of previously unpublished paintings, collaborative works and book illustrations by this highly successful, yet neglected, figure, Buckland traces how Katei transformed his art and practice based in modes derived from China in order to fulfil the needs of the modern nation-state at large-scale exhibitions and at the imperial court.

De plakfactor Chip Heath 2015-03-10 Waarom zijn broodjeaapverhalen zo hardnekkig en vergeten we alledaagse waarheden zo gemakkelijk? Hoe maakt een krant een kop die ervoor zorgt dat we door willen lezen? En waarom onthouden we complexe verhalen wel, maar complexe feiten niet? Waarom floreren sommige ideeën van meet af aan, terwijl andere razendsnel ter ziele gaan? En hoe verbeter je de kansen van waardevolle ideeën? In De plakfactor leggen Chip en Dan Heath uit hoe je de kleefkracht van ideeën kunt versterken. Deze onmisbare gids laat zien dat 'sticky' ideeën hun kracht ontleen aan zes belangrijke eigenschappen, die ook jij kunt leren beheersen. Dit boek gaat over een van de belangrijkste aspecten van menselijk gedrag en zal de manier waarop je ideeën overbrengt ingrijpend veranderen. De plakfactor is provocerend, onthullend en vaak verrassend grappig. Het onthult de cruciale principes van succesvolle ideeën en de strategieën om je eigen boodschap meer kleefkracht te geven.
