Major Labels Kelefa Sanneh 2021-10-05 One of Oprah Daily's 20 Favorite Books of 2021 • Selected as one of Pitchfork's Best Music Books of the Year "One of the best books of its kind in decades." —The Wall Street Journal An epic achievement and a huge delight, the entire history of popular music over the past fifty years refracted through the big genres that have defined and dominated it: rock, R&B, country, punk, hip-hop, dance music, and pop Kelefa Sanneh, one of the essential voices of our time on music and culture, has made a deep study of how popular music unites and divides us, charting the way genres become communities. In Major Labels, Sanneh distills a career's worth of knowledge about music and musicians into a brilliant and omnivorous reckoning with popular music—as an art form (actually, a bunch of art forms), as a cultural and economic force, and as a tool that we use to build our identities. He explains the history of slow jams, the genius of Shania Twain, and why rappers are always getting in trouble. Sanneh shows how these genres have been defined by the tension between mainstream and outsider, between authenticity and phoniness, between good and bad, right and wrong. Throughout, race is a powerful touchstone: just as there have always been Black audiences and white audiences, with more or less overlap depending on the moment, there has

been Black music and white music, constantly mixing and separating. Sanneh debunks cherished myths, reappraises beloved heroes, and upends familiar ideas of musical greatness, arguing that sometimes, the best popular music isn't transcendent. Songs express our grudges as well as our hopes, and they are motivated by greed as well as idealism; music is a powerful tool for human connection, but also for human antagonism. This is a book about the music everyone loves, the music everyone hates, and the decades-long argument over which is which. The opposite of a modest proposal, Major Labels pays in full.

De geschiedenis van ridder des Griex en Manon Lescaut Antoine-François Prévost 2013-08-29 Antoine-François Prévost d"Exiles (1697-1763) diende afwisselend het leger en de kerk, hij schreef ruim honderd boeken en vertaalde diverse werken van Richardson. Hij leidde een bewogen leven, waarin de obsessieve liefde voor een vrouw lange tijd centraal heeft gestaan. Deze liefde is waarschijnlijk de inspiratiebron geweest voor het werk waardoor hij in herinnering is gebleven: Histoire du chevalier des Griex et de Manon Lescaut. Het is het zevende en laatste deel van zijn romancyclus Mémoires et aventures d'un homme de qualité qui s'est retiré du monde. Het boek verscheen in 1731 in Amsterdam en werd, toen het later in Frankrijk uitkwam, verboden. Het thema van deze roman is klassiek: een man wordt het slachtoffer van een lichtzinnige vrouw. In dit geval de 17-jarige des Griex, die door erse getroffen de eveneens jeugdige Manon schaakt en met haar van Amiens naar Parijs vertrekt. Manon blijkt echter niet bestand tegen de avances van mannen met geld. Zij bedriegt des Griex, die zich wanhopig terugtrekt in het seminaire van Saint-Sulpice. Manon zoekt hem op en weer bezwijkt hij voor haar. Samen leiden zij een leven van diefstal, vals spel en nog erger. Manon wordt veroordeeld tot deportatie naar Louisiana. Des Griex volgt haar daar, duelleert om haar, waarna zij samen de woestijn in vluchten. Dit drama van liefde en hartstocht inspireerde zowel Massenet als Puccini tot een opera.

I, Death Mark Leslie 2016-11-07 It's not "boy meets girl, boy loses girl," but rather "Boy meets girl, boy loses girl, boy's friends begin dropping like flies." - Peter O'Mallick isn't just having a bad day; he's having a bad life.It's bad enough when your girlfriend suddenly casts you a cold shoulder, your grades are slipping and those around you no longer understand what it's like to walk in your shoes;

but walking around with the innate power to end lives—something Peter begins to realize he has had since birth—takes the angst to a whole new level. And Hamlet thought he had it bad. Encouraged by his guidance counsellor, the suicidal seventeen year old begins to blog about his experiences in order to try to understand this power and himself. The self-directed therapy helps, and strangers who follow his online story virtually befriend him, as it appears that his curse is mostly limited to those he is in close contact with. However, there is one stranger secretly following his story who isn't there to understand, help or cheer him on; just as Peter begins to understand that being born as a harbinger for death might actually be a blessing rather than a curse, this stranger is intent on finding a way to use Peter's power for nefarious purposes.

Mammoth Books presents *Monsters in Our Midst* Gary Kilworth 2012-07-26 *Substitutions* - Michael Marshall Smith Michael Marshall Smith recalls: "This story came about in the simplest way, the way I always enjoy most - something happening in real life that makes you think 'What if?' "Our household gets a lot of its food via an online delivery service, and one day when I was unpacking what had just been dropped at our house I gradually realised there was something...not quite right about the contents of the bags. "There's two things that are strange about that experience. The first is that - given that every household is likely to buy at least some things in common - you don't realise straight away that you've been given the wrong shopping. You don't immediately think 'This is wrong', more like . . . 'This is weird'. The second is how personal it is, gaining accidental access to this very tangible evocation of some other family's life. You can't help but wonder about the people the food was really destined for. "In real life, I just called up the delivery guy and got it sorted out: but in fiction, you might tackle things slightly differently . . ." *Out Back* - Garry Kilworth "'Out Back' was written for a group of friends," Kilworth recalls, "who appear as characters in the story under their initials, as I do myself. Those who know me well will recognise the protagonists. "Iken is a real village on the edge of the marshes behind Snape Maltings in Suffolk. Two years ago I wandered along the periphery of the reed beds which stretch down towards the coast as a green and golden sea, the waves created by the winds that blow across the flatlands. Looking at the church that sits on a knoll above the marshes I thought, 'This is a perfect setting for a horror story.' And so . . ." *City of the Dog* - John Langan "This story arose from my desire to see what I could do with the figure of the ghoul," reveals Langan, "and as I've tried to indicate within the narrative, I drew inspiration both from H.P. Lovecraft ('Pickman's Model') and Caitlín R. Kiernan (Daughter of Hounds). "The miserable years in New York State's capital, though, were mine alone."

Picturing Identity Hertha D. Sweet Wong 2018-05-02 In this book, Hertha D. Sweet Wong examines the intersection of writing and visual art in the autobiographical work of twentieth- and twenty-first-century American writers and artists who employ a mix of written and visual forms of self-narration. Combining approaches from autobiography studies and visual studies, Wong argues that, in grappling with the breakdown of stable definitions of identity and unmediated representation, these writers-artists experiment with hybrid autobiography in image and text to break free of inherited visual-verbal regimes and revise painful histories. These works provide an interart focus for examining the possibilities of self-representation and self-narration, the boundaries of life writing, and the relationship between image and text. Wong considers eight writers-artists, including comic-book author Art Spiegelman; Faith Ringgold, known for her story quilts; and celebrated Indigenous writer Leslie Marmon Silko. Wong shows how her subjects formulate webs of intersubjectivity shaped by historical trauma, geography, race, and gender as they envision new possibilities of selfhood and fresh modes of self-narration in word and image.
