The Best Short Stories of ... and the Yearbook of the American Short Story 1935

„And on this Rock I Will Build My Church“. A New Edition of Philip Schaff's „History of the Christian Church“ Muhammad Wolfgang G. A. Schmidt 2017-07 This voluminous work on Church History by Philip Schaff (1819-1893) was originally published between 1858 and 1893 in eight volumes in the USA and covers the period from the beginnings of Biblical Christianity in A.D. 1 to the History of the Reformation in Germany and Switzerland (1517-1648). Being still a popular text in North America, this work had been out of print for over a century and has now been carefully edited and reformatted for republication in three volumes, each of them containing the text of two volumes of the original edition. Schaff's work, unlike other works in the field, covers a multitude of church history-related aspects – from church doctrine, policy, events and processes to aspects of social moral and family life, arts and more. It is a very comprehensive text, extremely well-written and readable, rich in material and sources used, and attests to the excellence of protestant German theological scholarship under the influence of emerging Historical-Critical Biblical Exegesis at his time. This third volume in this series covers the period from Gregory VII. to the eve of the Protestant Reformation (A.D. 1049-

1517).

Serials and Series Buck Rainey 2015-06-08 While many fans remember The Lone Ranger, Ace Drummond and others, fewer focus on the facts that serials had their roots in silent film and that many foreign studios also produced serials, though few made it to the United States. The 471 serials and 100 series (continuing productions without the cliffhanger endings) from the United States and 136 serials and 37 series from other countries are included in this comprehensive reference work. Each entry includes title, country of origin, year, studio, number of episodes, running time or number of reels, episode titles, cast, production credits, and a plot synopsis.

The Unique Legacy of Weird Tales Justin Everett 2015-10-01 When the pulp magazine Weird Tales appeared on newsstands in 1923, it proved to be a pivotal moment in the evolution of speculative fiction. Living up to its nickname, "The Unique Magazine," Weird Tales provided the first real venue for authors writing in the nascent genres of fantasy, horror, and science fiction. Weird fiction pioneers such as H. P. Lovecraft, Robert E. Howard, Clark Ashton Smith, Robert Bloch, Catherine L. Moore, and many others honed their craft in the pages of Weird Tales in the 1920s and 1930s, and their work had a tremendous influence on later generations of genre authors. In The Unique Legacy of Weird Tales: The Evolution of Modern Fantasy and Horror, Justin Everett and Jeffrey Shanks have assembled an impressive collection of essays that explore many of the themes

critical to understanding the importance of the magazine. This multi-disciplinary collection from a wide array of scholars looks at how *Weird Tales* served as a locus of genre formation and literary discourse community. There are also chapters devoted to individual authors—including Lovecraft, Howard, and Bloch—and their particular contributions to the magazine. As the literary world was undergoing a revolution and mass-produced media began to dwarf high-brow literature in social significance, *Weird Tales* managed to straddle both worlds. This collection of essays explores the important role the magazine played in expanding the literary landscape at a very particular time and place in American culture. The *Unique Legacy of Weird Tales* will appeal to scholars and aficionados of fantasy, horror, and weird fiction and those interested in the early roots of these popular genres.
