Misery to Mirth Hannah Newton 2018 Misery to Mirth aims to change our thinking about health in early modern England. Drawing on sources such as diaries and medical texts, it shows that recovery did exist as a concept, and that it was a widely-reported event. The study examines how patients, and their loved ones, dealt with overcoming a seemingly fatal illness.--

The Unravelling of Thomas Malone Elly Grant 2022-02-19 Angela Murphy has just started as a detective on the mean streets of Glasgow, when the mutilated corpse of a young prostitute is discovered in a squalid apartment. Called to investigate the grisly murder, Angela is both shocked and surprised. To her boss, Frank Martin, there's something horribly familiar about the scene. He has seen it before. With limited resources and lacking experience, Angela is desperate to prove herself. But is it really the work of a copycat killer, and will Angela's enthusiasm and determination be enough to bring the killer to justice before another life is lost?

I Believe in Me Arlie Holmes 2016-03-21 I Believe in Me is the second novel in the trilogy by Arlie Holmes. Sammy, the center character in book one pulled at our hearts in his mission to win love in a world filled with hate. In I Believe in Me, a set of twins are born. Thomas is a gifted child, while Mark is as evil as Satan himself. Unlike Sammy, who was raised poor, Thomas and Mark are raised in ultra-luxury as their parents become very rich after the twins are born late in their childbearing years. Regardless of poverty or wealth, Red and Dixie still have problems raising their children. Thomas will pull at your heart as Sammy did in Daddy Will Fix It, the first novel in the trilogy. Thomas and Mark will keep you at the edge of your seat and waiting for the last book of the trilogy, coming fall 2016.

About Christmas Nicolae Sfetcu 2014-05-01 Christmas characters and food, Christmas-linked holidays and music, Santa Claus and traditions. Related to Annunciation, Incarnation; Crucifixion; Advent, the four weeks preceding Christmas; and the period between the day after Thanksgiving and the Sunday after New Year's Day, the American holiday season. Christmas or Christmas Day is a holiday celebrating the birth of Jesus, the central figure of Christianity. Aspects of celebration may include gift-giving, Christmas trees, display of Nativity sets, church attendance, the Father Christmas/Santa Claus myth, and family gatherings. Users of the Gregorian calendar observe the holiday on December 25. Some Eastern Orthodox Churches celebrate on December 25 by the Julian calendar, which currently corresponds to January 7 on the Gregorian calendar. These dates are merely traditional; the great majority of scholars agree that the actual birthdate of Jesus is unknown. In Western culture, the holiday is characterized by the exchange of gifts among friends and family members, some of the gifts being attributed to Santa Claus (also known as Father Christmas, Saint Nicholas, Saint Basil and Father Frost). However, various local and regional Christmas traditions are still practiced, despite the widespread influence of American, British and Australian Christmas motifs disseminated by film, popular literature, television, and other media.

Thomas Kinkade's Cape Light: Together for Christmas Katherine Spencer 2015-11-03 The holiday season finds one treasured relationship about to be torn apart...while another is just coming together in this Christmas novel in Thomas Kinkade's Cape Light series. As Christmas approaches, Molly Harding and her partner—and best friend—Betty Bowman are swept up in the annual holiday rush at Willoughby's Fine Food and Catering. With the business on shaky financial ground this year, the stakes are high. Suddenly, Betty must step back from the race to care for her husband, who is recovering from a serious injury. Molly is secretly overwhelmed but can't bring herself to burden her friend with bad news. But Molly knows that, sooner or later, the truth will come out. Then what? Will her independent, "I can do it" attitude bring ruin to the business that means so much to them? Even more important, will it destroy her close and loving friendship with Betty? Meanwhile, a single mother, Carrie Munro, and her son, Noah, have come to Cape Light with the dream of starting a new life. Out of work, Carrie can hardly believe her luck when she gets a job working for Reverend Ben. Noah likes his new school and he's especially happy with a new friend named Theo, whom Noah insists is an angel. Carrie is at first amused...then concerned. She hopes Dr. Jeffrey Carlson, a child psychologist, can help her son and help her understand the cause for Noah's need for this imaginary friend. But as Christmas draws closer, Carrie starts to wonder if she's the one who really needs Jeff's guidance—to help her see the world again with the open, trusting heart of a child, and with the faith that anything is possible. Even angels. Even love.

Dromenvanger Stephen King 2013-08-16 Stephen King, Dromenvanger Ooit deden vier jongens uit Derry iets moedigs. Het veranderde hen op een manier die ze nauwelijks begrepen. Een kwarteeuw later zijn de jongens mannen geworden die eens per jaar samen gaan jagen in de bossen van Maine. Dit keer valt een verwarde man hun kamp binnen, brabbelen over lichten aan de hemel. En voor ze het beseffen zijn de vrienden verwickeld in een strijd met een wezen dat niet van deze wereld is. Hun enige kans is gelegen in het verleden. En in de dromenvanger...

Portrait of a Prospector Edward Schieffelin 2017-11-09 Edward "Ed" Schieffelin (1847–1897) was the epitome of the American frontiersman. A former Indian scout, he discovered what would become known as the legendary Tombstone, Arizona, silver lode in 1877. His search for wealth followed a path well-trod by thousands who journeyed west in the mid to late nineteenth century to try their luck in mining country. But unlike typical prospectors who spent decades futilely panning for gold, Schieffelin led an epic life of wealth and adventure. In Portrait of a Prospector, historian R. Bruce Craig pieces together the colorful memoirs and oral histories of this singular individual to tell Schieffelin's story in his own words. Craig places the prospector's family background and times into context in an engaging introduction, then opens Schieffelin's story with the frontiersman's accounts of his first prospecting attempts at ten years old, his flight from home at twelve to search for gold, and his initial wanderings in California, Nevada, and Utah. In direct, unsentimental prose, Schieffelin describes his expedition into Arizona Territory, where army scouts assured him that he "would find no rock . . . but his own tombstone." Unlike many prospectors who simply panned for gold, Schieffelin took on wealthy partners who invested the enormous funds needed for hard rock mining. He and his co-investors in the Tombstone claim became millionaires. Restless in his newfound life of wealth and leisure, Schieffelin soon returned to exploration. Upon his early death in Oregon he left behind a new strike, the location of which remains a mystery. Collecting the words of an exceptional figure who embodied the western frontier, Craig offers readers insight into the mentality of prospector-adventurers during an age of discovery and of limitless potential. Portrait of a Prospector is highly recommended for undergraduate western history survey courses.

Het lied van de mistral Olivier Mak-Bouchard 2021-06-22 'Een duizelingwekkend debuut' De Volkskrant **** 'Het lied van de mistral doet de lezer raken aan de geheimen van het leven en de natuur. In de inspanning ontstaat uitzicht en inzicht. De lezer wordt onderdeel van het land.' Een hommage aan de natuur en het landschap van de prachtige en zo geliefde Franse Provence, voor de lezers van De acht bergen van Paolo Cognetti en Daar waar de rivierkreeften zingen van Delia Owens De mistral is een krachtige wind die regelmatig over Zuid-Frankrijk trekt en zo het landschap van de Provence vormt. Op een morgen na een geweldadige onweersbui komt de hoofdpersoon zijn buurman tegen, een oudere, norse boer die hem meeneemt naar de plek waar de storm een deel van een helling heeft weggeslagen. In de stenen bergwand vinden ze mysterieuze voorwerpen die uit een ander tijdperk lijken te komen: beelden, gebruiksvoorwerpen, zelfs een warmwaterbron die een heilzame werking lijkt te hebben. De mannen besluiten de kostbaarheden niet aan te geven bij de autoriteiten, maar ze zelf op te graven. Al snel worden ze volledig in beslag genomen door het nieuwe decor rond hun huis. De twee mannen koesteren hun geheim, gaan niet meer naar hun werk en vervreemden steeds meer van de rest van de gemeenschap. Totdat een grondige inspecteur van de gemeente hun idylle dreigt te verstoren. Het lied van de mistral is een betoverende roman over vriendschap, tradities en folklore, over wat ons wordt nagelaten door voorouders en wat we willen doorgeven aan de volgende generaties. Boven alles is het een ode aan het landschap van de Provence: de bijzondere geuren, de flora en fauna, en natuurlijk de mistral. In de pers 'Een vervoerende debuutroman' Het Parool 'Het lied van de mistral herinnert ons eraan hoe belangrijk het is om onze mythen en tradities niet te vergeten, om een beetje magie te bewaren. Dit boek ademt de wind van vrijheid die over de Provence waait.' LIRE 'Alles in deze prachtige roman draait om vriendschap, legendes en onheilswind.' Avantages 'Olivier Mak-Bouchard weet de diepte en de wortels van de Provence te vangen, en geeft een heel andere blik op dat rijke vakantieoord.' Psychologies

Playing with Fire Thomas Wood 2021-02-15 Frayed nerves. Brushes with death. Distrust of closest friends. All in a day's work for an SOE agent. Johnny Parker is still embedded with the French Resistance, having had a close shave just weeks before. But with a trusted associate now missing, presumed dead, it seems as though even the very best of friends can turn their backs. Doubts and deception seem to lurk in every corner, particularly after one of the members of the Fortuna circuit comes close to losing their life; and not for the first time. With the net rapidly closing in on

them, Johnny Parker, and his compatriot Michael Hope, must establish how and why things are going so desperately wrong for them. Re-join Parker and Hope as they continue to fight forces from outside, as well as within, in an attempt to secure Circuit Fortuna; a task that is a lot more arduous, and perilous, than they first thought. And with one member sailing a little too close to the wind, Johnny Parker can't help but feel he is playing with fire. 'Playing with Fire' is the second book in the thrilling Circuit Fortuna books, following fighter pilot turned SOE Agent Johnny Parker from Thomas Wood. Perfect for fans of gritty WW2 Fiction like Chris Glatte, Rob Lofthouse and Max Hennessy.

Vrolijk kerstfeest, Ollie! Olivier Dunrea 2014-04-16 Vrolijk Kerstfeest, Ollie! Gonnie, Gijsje, Bo, Eddie en natuurlijk Ollie wachten op Kerstmis. Hair Susan J. Vincent 2018-10-04 Bobs, beards, blondes and beyond, Hair takes us on a lavishly illustrated journey into the world of this remarkable substance and our complicated and fascinating relationship with it. Taking the key things we do to it in turn, this book captures its importance in the past and into the present: to individuals and society, for health and hygiene, in social and political challenge, in creating ideals of masculinity and womanliness, in being a vehicle for gossip, secrets and sex. Using art, film, personal diaries, newspapers, texts and images, Susan J. Vincent unearths the stories we have told about hair and why they are important. From ginger jibes in the seventeenth century to bobbed-hair suicides in the 1920s, from hippies to Roundheads, from bearded women to smooth metrosexuals, Hair shows the significance of the stuff we nurture, remove, style and tend. You will never take it for granted again.

Passion Play: A Novel W. Edward Blain 2018-04-03 Set in the insular, genteel world of an all-boys prep school, this tense and electrifying Edgar-nominated classic surrounding an all-too-deadly production of Othello is now back in print. In New York City, a young man is found murdered in a dingy Times Square sex theater—his neck gruesomely snapped—and the only clue is a torn receipt from the Montpelier School for Boys bookstore. Christmas break is just a couple of weeks away when Montpelier student Russell Phillips fetches up dead. Headmaster Lane, preferring to view Phillips's death as a suicide, decides to keep the school open for the remainder of the term. But as the nights grow longer and colder—and more corpses begin to surface in connection with the rehearsals for Othello, the winter play—it becomes all too clear that the students and faculty are being stalked by a cool and calculating killer. The local police and school administrators find themselves out of their depth. Even so, many people's suspicions begin to focus on a single suspect—until he, too, turns up dead. A gripping tour de force that brilliantly uses an isolated boarding school campus as the setting for this propulsive mystery, Passion Play will keep the reader guessing until the final act.

Onze eindeloze dagen Claire Fuller 2016-02-16 Dit is het verhaal van Peggy Hillcoat, in 1975 acht jaar oud. Tijdens de zomer van dat jaar gaat ze vaak kamperen met haar vader, luistert ze eindeloos naar haar favoriete plaat van The Railway Children en naar het betoverende pianospel van haar moeder. Na een familiecrisis die Peggy pas veel later zal begrijpen, neemt haar vader James, een zogenaamde 'survivalist', haar mee van Londen naar een hut ergens diep in de bossen van Europa. Hij vertelt Peggy dat de wereld is vergaan. Ze zullen met zijn tweeën moeten zien te overleven. En zo bestaat haar leven ineens alleen nog uit een zelfgebouwde piano die geen geluid maakt, een bos waarin alles wat groeit gebruikt wordt om van te leven en een klein houten huisje dat Alles is. Negen jaar lang is Peggy voor de buitenwereld verdwenen. 'Beeldschoon en bijzonder. Vanaf de eerste zin grijpt dit verhaal je bij de keel.' – The Sunday Times 'Een triomf... Fuller heeft een meesterlijk, spannend sprookje voor volwassenen geschreven.' – The Times 'Fuller beschrijft de natuur bedwelmend mooi, in al haar schoonheid en wreedheid.' – Independent

Tales from the Tracks W. Awdry 2009 Six stories featuring Thomas the Tank Engine and his friends. Envious of the children who are fishing in the river near the railroad tracks, Thomas the tank engine finds a way to enjoy the same activity. When Thomas's friend and fellow engine, Duck, has a close shave while trying to stop runaway trucks. Gordon, a very large green engine, is annoyed when his view at the new train station is obstructed. Percy is teased by the other engines when he tells them that the night before, as he thought about the upcoming parade, he saw a giant dragon rumble by. A runaway elephant blocks a tunnel and causes trouble for Henry and his friends. James boasts about his bravery, but when a swarm of bees start buzzing around him he wishes that they would leave him alone.
